PART 1 – IN-YEAR REPORT

Section 1 – Mayor’s Report

1.1 In -Year Report – Monthly Budget Statement

The monthly budget statement for February 2021 has been prepared to meet the legislative requirements of the Municipal Budget and Reporting Regulations.

1.2 Financial problems or risks facing the municipality

The COVID-19 pandemic is undoubtedly having a negative economic impact. Revenue sources such as actual payments for service charges in the main are being impacted due to the negative impact the lockdown had on the ordinary consumer, etc. The municipality is acutely aware of this and will do everything within its power to manage resources responsibly by questioning the status quo as it cannot be business as usual.

To this end I’m reasonable comfortable that my guidance during the 2020-2021 final budget formulation in respect of not increasing basic service charges, suffice for electricity regulated by NERSA, had the desired result given the plight of all our consumers. We’ve limited growth on expenditure in support of our struggling economy and would like to appeal to business to consolidate business practices in support of not retrenching employees as the Swartland Area is unique in its offering just adjacent to the mother city.

We appeal to our struggling consumers to approach the municipal offices should assistance be required. In this regard we’ve relaxed some of the income criteria subject to the profile of households in these trying and unprecedented times for purposes of indigent relief. Our relaxing of the due date, interest being levied on overdue accounts, inclusive of a further free 2kls of water extended over the next six months are intended to bring much needed relief but moreover to show my appreciation to consumers of water that supported our efforts to save water during the water crises not too long ago.

Section 2 - Resolutions

RECOMMENDATION:
